

May 8, 1974 - Wed.

Dear Vicki and Jim,

I am going out to South Center pretty soon so will write to you first. Our weather still isn't nice, except for last Saturday and then it was a beautiful perfect day. We both worked in the yard and got a lot done. Mary and Mike came over Fri, Sat. and Sunday nights.

Mary feels good, altho she doesn't think there is anything so wonderful about being pregnant. She has gained fourteen pounds and is trying to hold her weight down now.

We have a busy week-end coming up. Friday night we are taking Mary and Mike to a play - "Miss Julie". It is a Swedish play but is in English. Saturday night we

are going to a democratic  
cocktail party. Sunday eve are  
invited to Donnelly's for dinner.  
Mary and Mike are invited too.  
Their son and his wife will  
be there also.

Tomorrow morning I am  
going over to Aunties and have  
coffee with her.

More later.

Love,

Mom
